

Are you on the Cutting Edge?

Do you have a new program that may be of interest to faculty/staff at other community colleges in the Inland Empire/Desert Region?

Have you published an article in your field that you would like to share?

Is your program involved in a successful business/industry partnership?

Do you have information on new or emerging trends in Career & Technical Education or Workforce & Economic Development?

If the answer to any of these questions is **YES, the Desert Regional Consortium is looking for you!**

Funds are available for community college faculty/staff to present new and innovative ideas in Career & Technical Education and Workforce & Economic Development at the regional level.

**Download the “Request to Present” application:
